

DRAWING AMENDMENTS

Applicant proposes that FIGS. 1 and 2 of the drawings should be amended in the manner indicated in the accompanying copies, by adding the label PRIOR ART. Applicant further proposes to amend FIGS. 13, 14, 16 and 17 by eliminating the solid black hatching employed in connection with the elements 401, 402, 501, 502. A complete set of drawings (FIGS. 1-18) including the proposed amendments is submitted herewith.
